KEY DATES IN ASTROLOGY

August 16

New Moon in Leo: An excellent time for setting intentions related to creativity, self-expression, and personal passions.

August 23

Virgo Season Begins: The Sun moves into Virgo, shifting the focus to practical matters, personal + collective health and general organization.

August 30

Full Moon in Pisces: A period of heightened intuition, emotional sensitivity and a focus on visualizing next steps for the future.

UPCOMING RETREAT

Already planning your next trip back?

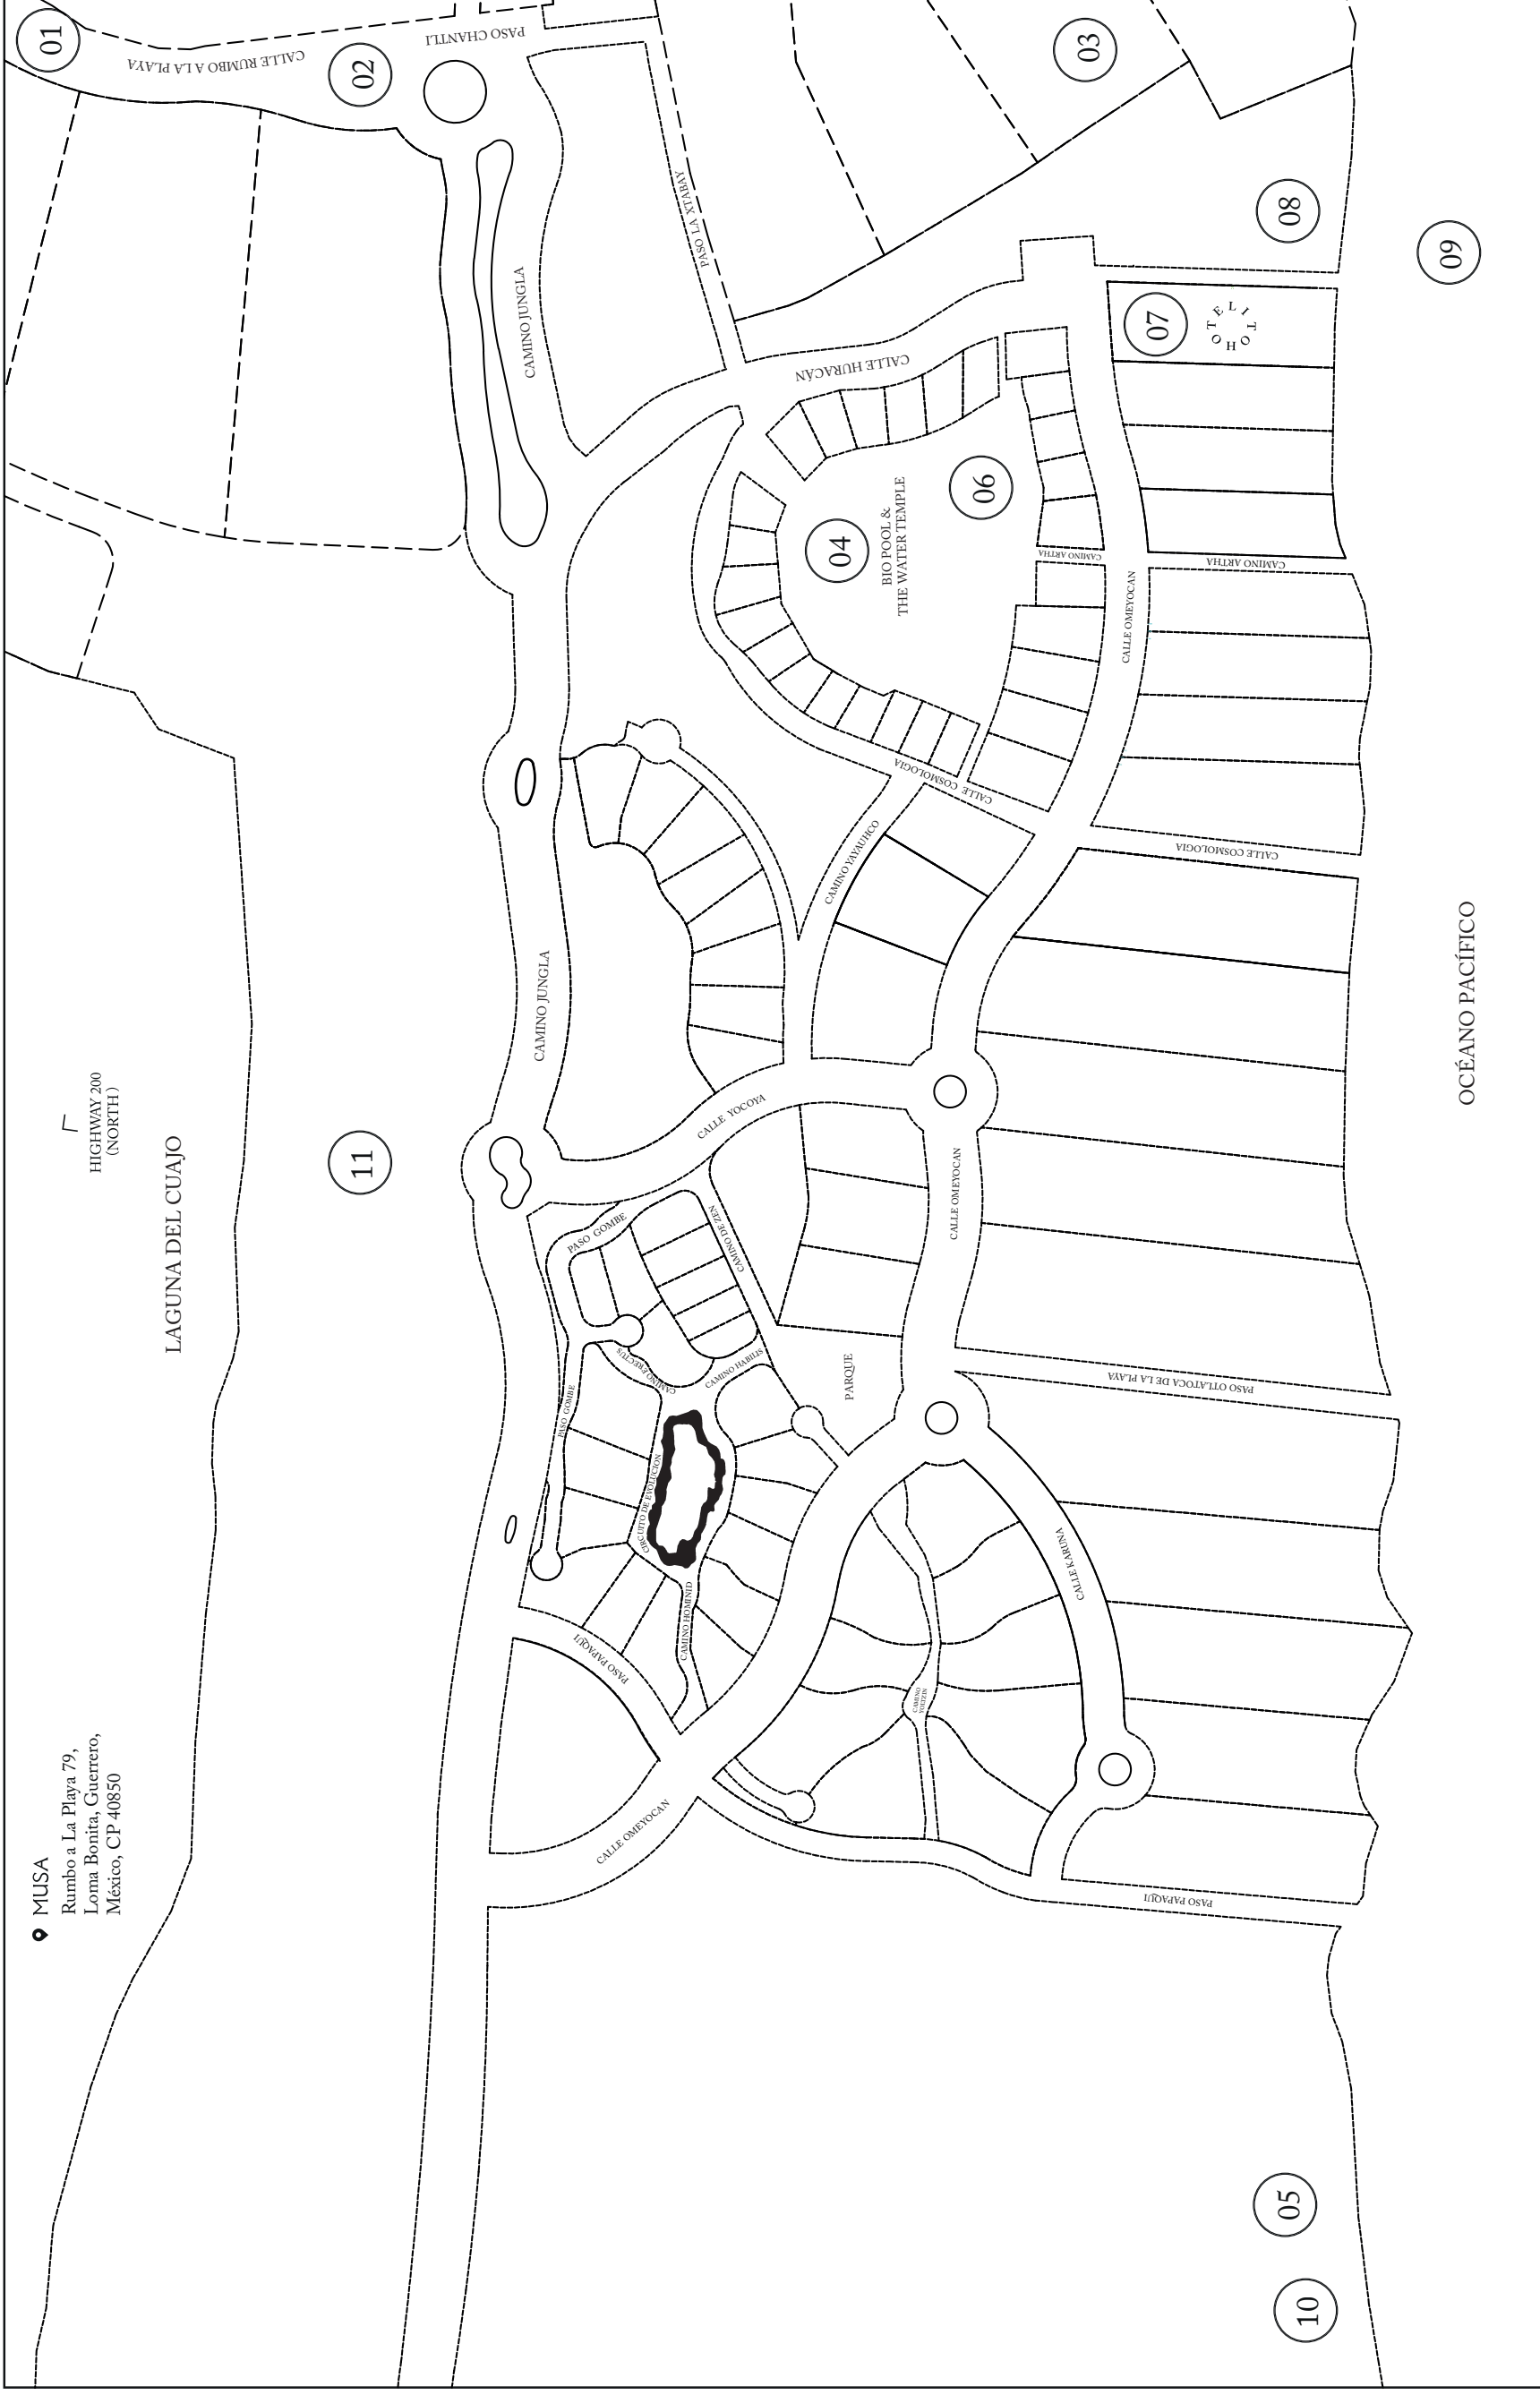

From October 2 - 6, return back to MUSA to experience a one-time only signature pilates + yoga fusion experience presented by the iconic Mexico City-based Infrared Wellness Studio Space, the Mat MX™. Experience this exclusive retreat set in our serene beachside sanctuary. Immerse yourself in all the magic you've fallen in love with again but this time harness your power, breath and movement with the support of Earth's energies. All with the aim to cultivate lifelong inner strength, explore your physical limits and nurture a profound bond with yourself and others.

DAILY ACTIVITIES INCLUDE:

Morning Meditations + Breathwork	Nightly Bonfire Circles + Story Time	Plenty of Rejuvenation & rest, beach + pool time	<u>Extras add-ons:</u> Massages, surfing & more
Evening Yoga + Sound Bath Sessions	Afternoon Workshops for mind, body + soul	Delicious, nourishing local food + drinks	

This retreat is ideal for solo or group bookings– anyone looking to Sweat. Move. Release and Repeat.
