# THE RETREATS

Choose an intimate beachside sanctuary, inspired by nature's wisdom, with unique dwellings and every amenity your gathering might need, or an iconic hotel steps from the Mexican Pacific.

## Location.

Nature creates the space for the soul to be reborn. We are inside mountains protected spaces by a long stretch of pristine pacific beach that inspires every sunrise, while surrounded by the jungle.

# THE RETREATS

## Community.

For us, Community is the New Teacher. We hold the space for individuals from many walks of life, practices, or beliefs to come together and learn from each other.

## Adventure.

Complement your gathering with an outing to discover or deepen your understanding of the beautiful nature surrounding MUSA.

## Transportation.

Hosting your gathering at MUSA is a stress-free process. We can take care of all your logistics and transportation needs. Group or private transfers from Airports and other points can be priced and arranged by request.

# DINING

Our healthy, local, kitchen, colourful, tasty and flavoursome, is one of our greatest assets and the dishes we prepare will surprise and delight your sense of taste every day of your stay.

With recipes based on ancient wisdom and experiences, the meals will be mainly made of organic, seasonal food from the region and our gardens.

Our integrative philosophy means everything in moderation, as the body loves balance. Let us show you how to turn your everyday food and drinks into something that will nourish and support your body and mind.

The budget for adding full board meal plan ranges from 115 USD per person to 145 USD per person.
